JUNE 2024

MISSOURI UNION PRESBYTERY

MUP has a new Transitional General Presbyter, Barbara Chalfant. Barbara comes to us from Maryland, as an Elder in PC USA church (not ordained). Her first day on the job will be June 24, after which she will be heading to Salt Lake City, participating in the General Assembly meeting.

As the opportunity arises, please welcome her to our Presbytery and our church.

You can read more about our Presbytery on the internet: www.mupresbytery.org

PROJECTS AT LONGWOOD CHURCH

We still have vinyl siding panels that need to be replaced on the west faces of the church building. Delbert Johnson has agreed to help with this project as his schedule permits. When we have time to discuss this in committee, let's find some dates that work for us and see if it fits with Delbert. Thanks for your help in advance.

LPC/COVENANT PASTOR SEARCH COMMITTEE

The status of our search committee continues to be the same...very few candidates who are interested in our churches. Our last candidate with whom we interviewed, is no longer available after answering a call at Forsythe, MO. We will continue to search and keep you posted of news

SYMPATHIES

We send our sympathies to the family of Georgia Reid, who passed away on May 31st. She was an active member of Range Line Church, a leader at many levels in the community, as well as volunteering for many positions in the Presbytery. Funeral services will be held at Rea Funeral Home, Sedalia, on June 8, 11:00 a.m. Burial will be in the Houstonia Cemetery. Our thoughts and prayers go to her family.
